SUBJECT: Weekly Report

25X1

6. We borrowed two KY-71 secure telephone units from the Department of Transportation on a temporary basis to keep up with ever-increasing secure voice requirements.

7. The final pre-installation survey for the NFIB Wang/Dataphone project was conducted on 8 March 1983. A schedule will now be coordinated with all 11 NFIB sites to introduce the Wang customer representative who will have responsibility for equipment installation and support.

25X1

9. OC and DO/IMS officers met to discuss the contractor's (SIMPACT) proposal for the development of a system to interface CRAFT with the [] communications network. The IMS representatives agreed to use CRAFT funds for this requirement.

25X1

10. In an effort to deal with increasingly critical technician and operator shortages, we have sent OC staff members on recruiting trips with [] recruiters and will soon be issuing a special Agency-wide printed vacancy notice to attract internal applicants.
